

# Come 2 us megastores

A great chance to buy more, and spend less!

Our chain of hypermarkets guarantees that you'll find everything you need - and more, in just one trip!

Whether you want to give your home a makeover, you need new furniture, stationeries for your office, equipment for your hobby or simply some groceries for your fridge, our megastore is the place to come to.

## **Groceries**

Buying groceries has never been easier! You always hated that you have to go to five different places in order to get everything your household will need for the upcoming week? Yeah, so did we, and that is why our all-in-one concept is so popular. We have a fresh produce market with organic greens, GMO-free meat, grass-fed beef and homemade jam – all under one roof! You just have to come to us, and enjoy grocery shopping like you never enjoyed it before.

## **Office supplies**

Is your office in dire need of some new staplers? Writing supplies are low? You are all out of binders, and a big meeting is right up ahead? Your colleague just spent the last sticky note you had in the office on making a giant Pacman on the office wall? We got you covered. Whatever your office needs, we have it, plus, when you buy in bulk, we'll even make it cheaper! Professionalize in a moment without worries!

## **Furniture**

With us, giving your home a fantastic makeover isn't difficult or expensive. If you are not sure about what you want, or you don't have much experience when it comes to matching furniture, no problem, we have lovely sets that will make any space look just perfect. With a touch of know how, a bit of imagination and proper use of our bonus program, you can give new life to your house or apartment without spending big bucks.

## **Electronics**

This is where you spare big instead of spending big! Are you considering a new laptop? We have dozens in our offer. New cell phone? Got ya. Camera or a camcorder? You simply cannot make a mistake if you come to us. With us, you can always expect to find something new and interesting in the electronics department - a TV on a \$500 discount,

a refurbished portable audio, printers, headphones, and wearables with prices cut in half - that's every day with us!

## **Appliances**

Every once in awhile, some of your home appliances will have to be replaced. Or, if you're outfitting a new home, you'll have to start from scratch. We thought of that. That is why we have everything that can make the time you spend in the kitchen or cleaning simpler and easier. Toasters, mixers, microwaves, refrigerators – we have it all in all shapes, sizes, and colors. What do you say? You don't know enough about this to make an informed decision? No problem. We got it. Our kind employees are always nearby to lend you a helping hand, and they know everything there is to know about their respective departments.

## **Sports and Outdoors**

Even though we know that going to the gym is a great way to stay in shape, we are also aware that sometimes it's really tough to make it to the gym. If you like running or cycling, you are well aware that the weather fails to cooperate with your plans sometimes, so, having your own equipment seems to be the best option. And when you see our assortment of fitness machines, you will love that option!

## **Bonus program**

We reward our loyal customers! No, this is not another scam with infinite gathering of points that never bring anything useful. We are not making you save your receipts. Our system is simple. You register, you get a loyalty card. Every time you buy something in one of our mega stores, you get points. Every dollar spent = 1 point. And in every department of our, there's always at least 10 products that can be bought for points. Sometimes it's a toaster, other times a bike, or simply a shampoo, but we want you to know that we appreciate that you chose to come to us.

## **Customer Support**

In case you have any questions, our customer support is available 24/7 and they are able and willing to help solve any issue that you might have. We want you to come to us and stay, which is why we pay special attention to every problem.

## **Location, location, location**

With us, you don't have to roam aimlessly listening to the sweet, sweet voice of your GPS lady, our stores are almost everywhere, and our locations are clearly marked on this map...

...And if you are nowhere near our stores, you don't have to worry, you can still use...

## **Free delivery**

Yeah, for all of our customers we provide free delivery to home address, so you don't have to worry that you'll miss out on our amazing offers!

We'll take care of everything!

You just have to come to us!
